LOCATION: Bitove Lounge

TIME: 12:30-1:30 PM

Tuesday, March 29

Accelerating the "S" of ESG

Roian Atwood, MEM, Guest Lecturer and Executive-in-Residence at Wake Forest University and Senior Director of Sustainability for Tractor Supply Company
Simon Mainwaring, CEO & Founder at We First

Patricia Jurewicz, Founder and VP at Responsible Sourcing Network
Tanesha Stokes, Manager, Diversity Recruiting, Tractor Supply company

Society is challenged with a wide variety of social and environmental problems that are often intertwined with complex causality. Solutions to these problems require both technical aptitude and a human-centric approach to create a more equitable world. Join us to explore the Social aspects of ESG platforms as we unpack global issues around human slavery in supply chains, initiatives to drive greater diversity and inclusion into organizations, and the importance of purpose in the workplace as a major component of human capital management.

LOCATION: Bern Beatty Colloquium & Zoom Webinar
